Year 9 GCSE Revision guides

Please can all year 9 parents log onto parent pay and purchase a copy of the Year 9 GCSE revision guide. It is £5.50 and will last them for the entire 3 year course!

Revision guides can be collected from your child's class teacher.

Year 9: Blood Brothers Theatre Trip

After a long term of hard work and focus, it is a pleasure to announce that we have planned a whole year group trip to The Hawth Theatre to see Olivier Award winning Musical, Blood Brothers.

All students have been focusing on the text this term and it is a fantastic opportunity for students to know and understand the musical live in action.

Please fill out consent forms and hand them into reception no later than Monday 8th October 2018.

Enrichment

Parents should note that students will have chosen Enrichment activities for the term. Almost all of our Enrichment activities are heavily over-subscribed, with more students wanting to participate than we can accommodate. The School expects students to observe good attendance at Enrichment and to commit for the full term. Students will be given an opportunity to choose a different Enrichment activity next term.

PFED Screening

If you haven't registered for your free ticket for the screening yet you can do so on this link: <https://www.eventbrite.com/e/screening-dispatches-from-a-plastic-planet-tickets-50036570730>

Space is limited so please register if you're planning to come. The film will start at 7.30pm at Rye Books on Wednesday 17th October and is half an hour long.
Hope to see you there!

Cosimo our drum teacher performs at Sadler's Wells!

Our drumming teacher Cosimo Cadare is performing percussion at Sadler's Wells as part of a contemporary dance performance. Sadler's Wells has commissioned three works from a new generation of UK-based dance-makers:

Julie Cunningham's work is concerned with gender identity, Alesandra Seutin fuses urban dance languages with African styles to explore contemporary issues and Botis Seva, from collective Far From the Norm, uses foundations of hip hop to create his own physical dance language.
