### **Enrichment**

We were pleased to see so many students taking part in sports and homework clubs after school this week. Many more enrichment activities will start next week (from Monday 24th) and students have been signing up online all this week.

Please look out for enrichment emails this weekend which will confirm which enrichment activities your child has secured a place for (in the case of oversubscribed clubs there will be a chance for those interested to take part later in the year).

Students who have not paid or are wearing incorrect clothing or footwear will not be allowed to attend the sessions.

### **Astronights**

If your child has ever wanted to explore the Museum after dark, or if the idea of spending the night in one of the Science Museum's iconic galleries fills them with excitement, then they'll love Astronights, a sleepover for children. With workshops, science shows and activities—rounded off with breakfast and a breathtaking IMAX 3D film—it will be a night they never forget.

#### **The Friends of The Charter School East Dulwich**

Everyone is welcome to the first Friends of the Charter School East Dulwich committee meeting on 4th October at 7pm! We would particularly love to see new parents whose children have just entered year 7. We will be planning our autumn events, looking at requests for funding from teachers, and reflecting on last year's work and what we can do better this year. We'll be meeting in the function room of the Victoria Inn pub on Bellenden Road. Email us at [friends@charterschooldulwich.org.uk](mailto:friends@charterschooldulwich.org.uk) to get more info and the agenda.

Looking forward to seeing you there!
