STEM Club

Students had the privilege of interacting with Rob Eastaway, an English Author with a passion for maths and magic behind numbers. Students and staff were baffled by the magic tricks and enjoyed learning the reasoning behind the activities.

If your child attends STEM club, why not ask them about 1089?

Absences

If your child will be off due to illness, please remember to call the school absence line before 8:30am, leaving their name and reason for absence.

Parents are reminded that the school is unable to authorise absence for students to take holidays or other family trips during term time. All such absences must be regarded as unauthorised as per government guidance.

We require at least a month's notice of your intention to remove your child from school during term-time. This allows the school and, in particular, subject teachers to plan for such absences which inevitably impact on assessments and extended learning projects.

School Christmas Disco

The Year 8's are organising a Winter Wonderland disco on Friday 15th December. It will start at 5pm and finish at 6:30pm and is open to all Year 8 pupils, providing their behaviour has been acceptable this term. Tickets cost £2 and must be purchased via ParentPay. Please return the consent form by Monday 11th December

Advance Notice

PE will not be able to run on Friday 1st December due to PE staff training. Instead, our students will remain onsite and will be engaged in English assessments that they have been preparing for in lessons. Students should come to school on Friday 1st December in their usual school uniform, NOT PE kit.
