

The Charter School East Dulwich

Newsletter

Thursday 11th January, 2018

Forthcoming Dates

Spring Term:

3rd Jan - 29th Mar

Year 8 Parents Evening:

17th January

4:00 - 7:00pm

Half-Term:

12th Feb - 16th Feb

Enrichment:

Please check our website for the full list of days and times of clubs available.

** Please note: if your child wishes to continue instrumental lessons this term, please make a payment on ParentPay**

Uniform Exchange

The Friends of The Charter School East Dulwich have set up a Uniform Exchange collection bucket in the school reception. If your child has any uniform that no longer fits and is still in good condition, please come along to drop it off. Footwear is not required

Christmas Events

A big well done and thank you to all staff and students who took part in the Christmas Revue. Parents were really impressed with the range of talents displayed.

Well done to the Year 8 events team for a successful Winter Wonderland School Disco! They raised £142 in ticket sales and this money will be going to the Sickle Cell Society. We also raised just over £116 in Christmas Jumper donations - this will be donated to Save the Children.

Parliament Trip

The Student Council took a trip to Parliament this week to learn first hand about the history and development of our democracy. They visited both the House of Commons and House of Lords. They then finished the day learning about women's suffrage and what they can do to create positive change in our school and wider communities.

A special thanks to Dawn Ingleson for coming and helping on the trip. Finding cover for trips creates a large burden on our teaching staff and her support was invaluable to the smooth running of the day.

Maths Equipment

All students must remember to bring a maths set containing a protractor, ruler, compass and a pencil for their maths lessons.

Year 8 Parents Evening

Booking for parents evening closes on Monday 15th January at lunchtime. Parents are asked to book appointments with no more than 6 teachers so that teachers can see a wide range of students.
