Staying Hydrated, Happy and Healthy

All our water fountains have bottle taps to allow students to refill their reusable drinking bottles.

Students can use the water fountains to refill their bottles during breaks and lunchtime only. Please ensure your child knows to fill their water bottle at home before school each morning.

Photography Donations Needed

If anyone has any old photographic or darkroom equipment that could be donated to the schools Art & Photography Department that would be amazing.

Royal Steel Pans

The Royal Steel Pan group has a number of performances coming up which parents and students may like to attend.

We are delighted to announce that Seraya Smith in Year 8, who plays and teaches steel pans with the group will also be taking part in their performances this summer.

Details of upcoming shows are shown.

Uniform Reminders

As the weather slowly improves students are beginning to come to school with lighter weight coats. Just a reminder that this cannot include hoodies or branded sports coats. Also, baseball caps are not allowed.
