U13s Girls Rugby

The year 7 and 8 girls rugby team played in a round robin tournament against Kingsdale and The Charter School North Dulwich. The girls, led by Hannah Anyanwu, put in an excellent display against Kingsdale. Having only covered contact rugby recently the girls still had some way to go with their defence, but impressive attacking displays from the girls meant they ended this game at 10-10. Kingsdale then narrowly beat TCSND by one try, moving to the top of the table. It was an excellent display by the girls from TCSED who beat their sister school in the final game with a score of 25-10. A huge congratulations to all of the girls involved, they are now the number one team in the borough. Onwards and upwards to the London School games.

Gospel Workshops

Students who are interested in singing gospel or pop music can sign up to our workshops running after half term. There will be a performance of their work at the Easter Show. Singer-songwriter Clare Dove is running the sessions together with an incredible gospel pianist who is fresh off tour with the likes of Ray BLK and Liam Payne. The sign up sheet is in the music department.

7-a-Side Southwark Championship

We attended the Year 7, 7-a-Side Southwark Championship at Bacon's College with 13 teams taking part all together. The A team (in green) managed to make it all the way to the semi final until they were defeated 3-0 by Kingsdale's A team. In the 3/4th play off the A team dominated proceedings against Kingsdale's B team and could have scored 3 or 4 goals. Unfortunately, they weren't able to take their chances and ended up losing 1-0. This meant we finished in 4th place which is still a very good result and Mr Heath was very proud of the boys performances.
