### Autumn Term Enrichment

We are delighted to be launching our Enrichment Programme with a wide range of activities for students to select for the Autumn Term, we would like to encourage all students to apply for at least 2 clubs.

Please look over the schedule attached to this email with your child over the weekend so that they are prepared to complete their online application during tutor time on Monday and Tuesday; catch-up sessions will be available in the library during lunch. Please note that some clubs have limited numbers and places will be allocated via a random draw with consideration given to whether students have already had the opportunity to take part.

Please note that while the majority of our clubs are free, Steel Pans, Track Cycling and Tennis are paid for clubs. Students should apply during tutor time but places will be allocated on a first come, first served basis via payment on [ParentPay](#).

- **Steel Pan Club** has two session slots: 3.10 - 4.00pm and 4.10pm - 5pm. Lessons are £50 per term
- **Track Cycling** is held at Herne Hill Velodrome. Lessons are £50 per term.
- **Tennis** - please fill out the attached form and email to Ms Pappon at our sister school The Charter School North Dulwich: [kpappon@charternorthdulwich.org.uk](mailto:kpappon@charternorthdulwich.org.uk)  
(Paid for clubs are subsidised for students eligible for Pupil Premium)

Enrichment clubs begin the week beginning Monday 23 September.

### **Work Experience Placements Needed**

Our Careers team is starting to focus on Year 10's Work Experience Week, which will take place from 15 to 19 June 2020. We are reaching out to ALL parents/carers and hoping that many of you will be able to offer a placement to a student, either within your own workplaces or using your personal contacts. The application process and all insurance will be fully organised by us; we just need your workplace so that all our Year 10 students have the opportunity of a challenging and fulfilling week of work in June.

Please email [Emily Seed](#) if you are able to help, or if you have a question about suitability.

### **Music Careers Day at Southbank Free Event!**

To all students considering a career in the music industry, please see the link below with information about lots of interesting jobs you may not be aware of in the music industry. The event is free but you need to get tickets so be quick!

All students are invited to take part in afternoon prayer at 3:15pm every day until further notice, in the 3rd floor Prayer Room. This includes Friday Jummah salah. Students are requested to see Mr Masud (Room B:1.20) before for more information.

Please note that our prayer room is a quiet space available to all denominations, please speak to our admin office if you wish your child to make use of it.

### **Year 7, 9 and 10 Science Revision guides**

In Science we like to get the pupils into good study habits by helping them use revision guides to support their learning at home and in school. You can now purchase the following guides on [ParentPay](#) at a fraction of the retail cost. Pupils in Years 8 and 10 can continue to use the revision guides they were issued last year.

Year 7 - Key stage 3 Science revision guide £3.00

Year 9 - Science GCSE revision guide £4.50

Year 10 Triple Science only £15.00 or £10.00 (trade in old copy option)

If your child is eligible for Pupil Premium they will be issued a copy free of charge

### **Gender Action Supporters**

We are proud to announce that we are an official [@ Gender Action](#) supporter.

Our aim is to ensure that our curriculum, both academic and pastoral, avoids reinforcing gender stereotypes at all times; committed to promoting gender equity and ensures no child's choice is limited by gendered stereotypes.

### News from The Friends of TCSED

#### Welcome Picnic: Sunday 15th September, Peckham Rye Park

All students, parents, carers and families, especially new Year 7 students, are warmly invited to join us for our Welcome Back to School Picnic on Sunday, 15th September, 3-6pm.

We'll be at the Picnic Area and Arboretum (see map below) and the weather looks set to be fantastic!

Please do bring food and drink to share, as well as picnic mats. If you have any balls or games for the kids to play that would be great too.
