

The Charter School East Dulwich | Sixth Form

The Charter School East Dulwich Sixth Form Course Option Blockings September 2021

In our on-line application form students will be asked to select three courses. Students can only choose one course from each block. Further Maths AS level or an EPQ may be taken as a fourth option.

Courses in **blue labelled @ND** will be taught at the North Dulwich site. If two or more of these courses are selected, students must apply instead to The Charter School North Dulwich Sixth Form as the majority of their chosen courses will be based there.

Please note: the availability of any chosen subject, or subject combination, will depend on student demand, staff availability and on timetabling contingencies.

Block A	Block B	Block C	Block D
