### KS3 Science week Poster Competition 8th March

5 to 14 March is British Science Week. This is an important opportunity to celebrate science, technology, engineering and maths. This year's theme is 'Innovating the Future'. The Science department will be running a poster competition for KS3. The school winner/s of this will receive a pizza party at school and the best five entries will be entered into the British Science Week competition to compete against other schools.

*Ms Phoebe Bates, KS3 Co-ordinator, Science*

### Closure of Melbourne Grove to Traffic—Survey

The experimental traffic orders, which covered the planters in East Dulwich, have an initial 6 month period where comments can be submitted. That period is coming to an end. The partial closure and resulting reduction in through traffic along Melbourne Grove has made children's journey to and from school safer. If you would like to submit your comments:

1. Complete the Southwark form [here](#) for feedback.
2. Add the reference number of: TMO2021-EXP10\_LSP E Dulwich
3. Select the appropriate option - if you are supportive please select option 1 – I wholly support this proposal
4. In the section 'Please give details of your response' please consider asking for parklets for Melbourne Grove and Elsie Road Square to repurpose the space and to help local businesses, making the area somewhere pedestrians are encouraged to visit.

## News from The Friends of TCSED

### Second Hand School Uniform Sale

We would like to remind everyone that the second hand uniform sale will be back up and running after school re-opens from 8 March. Please remember to visit [Friends of the Charter School East Dulwich](#), where you can order uniform items online.

If you have any spare uniform that you would like to donate, please give these items to your child to deliver to the reception office once school re-opens. Thank you.
