A special announcement...

8A are taking part in a very special project next week!

When: Tuesday 9.30-10.30

Bamidele Awoyemi, Farouk Agoro and Livia Wang to undertake first art commission for Tessa Jowell Health Centre in collaboration with Dulwich Picture Gallery.

The first art commission for the Tessa Jowell Health Centre (TJHC) in East Dulwich has been awarded to Bamidele Awoyemi, Farouk Agoro and Livia Wang, a collective of artists from South London. They will work with the local community to develop a large-scale artwork for the centre's reception area, which will be revealed in August 2021.

8A are going to help make it!

On Tuesday, Ms Daly and Mr Biney are working with you in Art. The artists are joining us online.
Don't go to History, come to Art! P2 Tuesday 6th July

TCSED Creative Arts are delighted to be involved in an exciting collaboration between Dulwich Picture Gallery and our neighbours - The Tessa Jowell Health Centre. In the first project, a selection of year 8 artists will have the opportunity to work with an artist collective who have won the first commission to create an artwork for the Health Centre. The collective consists of artists: Bamidele Awoyemi, Farouk Agoro and Livia Wang who have been running a series of creative workshops with the centre's service users, staff and the local community. As part of the workshop, our students will be given an insight into the artists' backgrounds in architecture, design and art, and they will then go on to design their own unique patterns which will inform a 'quilt' design that will adorn the glass balustrade within the atrium of the reception area.

Collections for the Albrighton Community Fridge

Thankyou for the donations which have come in for the Foodbank run by the Albrighton Centre. These are gratefully received. The message from the Albrighton Centre is that there is a particular need for donations at this time. Currently, the following items are needed: Cereal, Pasta, Rice, Pulses (chick peas, etc.), UHT milk, Toiletries including Sanitary products (pads) and Nappies (particularly in larger sizes). Alongside, donations of tinned or dried food are welcome.

The school is still collecting food bank donations via a collections box in the main reception area. Students can drop off donations during their break or lunchtime and the Friends will collect these at the end of each half term and deliver them to the Albrighton Centre Community Foodbank.
