

Southwark's Summer of Food and Fun

This summer, Southwark Council will be hosting Southwark's Summer of Food and Fun. They are partnering with local holiday hubs across the borough to provide an exciting programme of food and activities for children and young people in our local communities. Places are available free of charge for children between the ages of 4-16 years, who are eligible for free school meals.

The programme aims to support local families to access free, healthy food and fun activities over school holidays in 2021. Each programme will provide: free, nutritious, and tasty food - fun physical activity sessions - a wide range of other enriching activities to suit different ages and personalities - opportunities to learn more about food and nutrition for children and their families.

The Summer of Food and Fun webpage www.southwark.gov.uk/foodandfun gives details about how to apply for places.
