

Y12 Course Option Blockings - For September 2024-25

In our on-line application form students will be asked to select three courses. Students can only choose one course from each block.

Further Maths AS level or an EPQ or Core Maths may be taken as a fourth option.

Courses in **blue labelled @ND** will be taught at the North Dulwich site. If two or more of these courses are selected, students **must** apply instead to The Charter North Dulwich Sixth Form as the majority of their chosen courses will be based there.

Courses in **red labelled @ND** will be taught at the East Dulwich site and ND students attend here.

***Please note:** the availability of any chosen subject, or subject combination, will depend on student demand, staff availability and on timetabling contingencies.*

Block A	Block B	Block C	Block D
