\*Working across both Charter Schools

# How will we support your children?

- **Pastoral system** – 20 minutes tutor time every morning and one hour extended tutor or whole-cohort assembly each week providing students with spiritual, moral and social communication skills as well as supporting character education.
- **‘Vertical’ Tutoring** from 2017-18 – students will be in mixed age tutor groups where older students mentor and support younger students.
- Students will be organised into **House System**: four school houses that maintain a tight sense of community and education on a human scale.
- **‘Student Voice’** – a full programme of activities to ensure our students have a say in how their school develops, eg. school council members, student librarians, ‘curriculum advisors’ and recruitment specialists.

# Where is our temporary school site?

The Silverthorne Building on  
Southampton Way

- 1.1m from the Dulwich Community Hospital
- Victorian school building; recently an FE college
- Undergoing major refurbishment for September 2016

# How will children travel to and from the site?

TCSED transport

- Minibus shuttle service
- Collection from Dulwich Hamlet Football Ground
- Pick-up in morning
- Services home at 3.00pm and 4.30pm

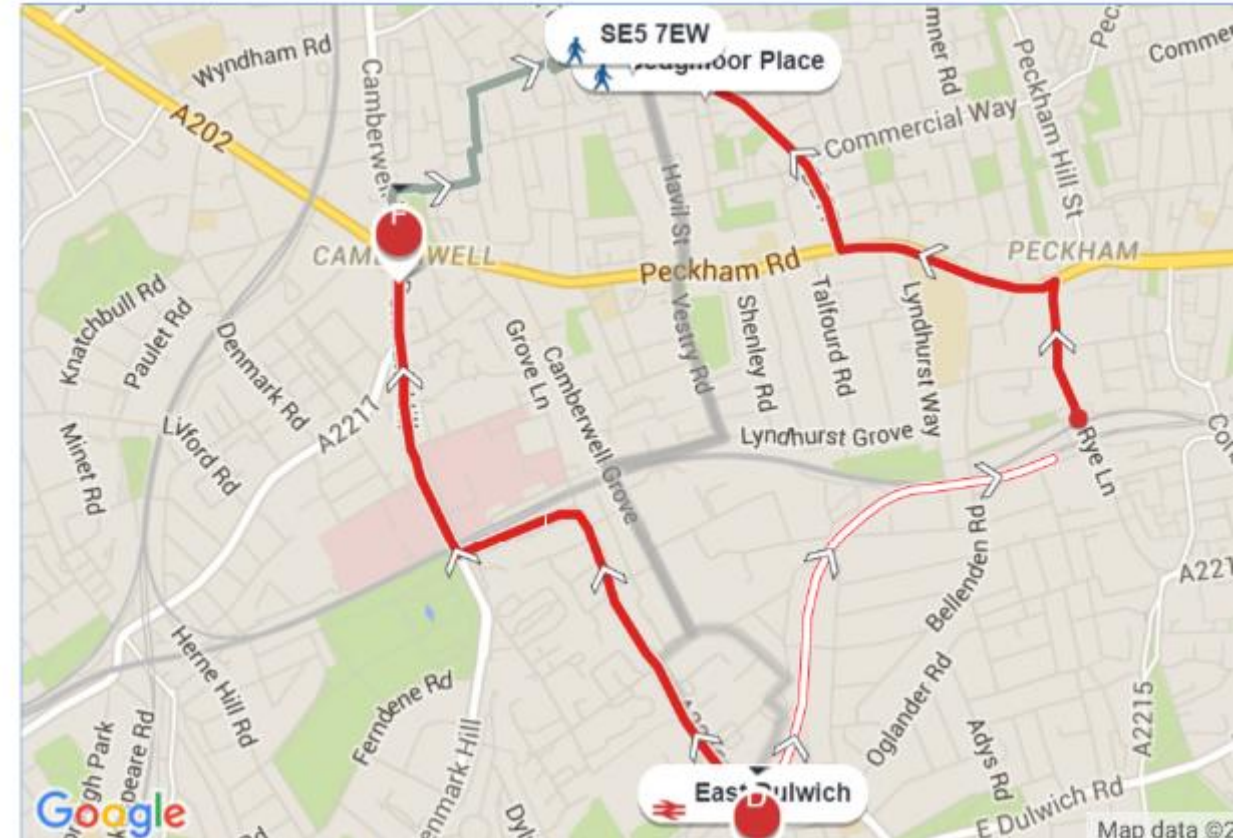

# Supported access to public transport

Available bus routes:

- 176, 185, 484 from East Dulwich Station to Camberwell Green (short walk)
- 37 from Lordship Lane, 136 from Peckham High St to Southampton Way
- 343 from Rye Lane (direct)

Supportive staff presence on the street

# How will we build our new school?

The Trust has appointed as main scheme architects/design consultants **Feilden Clegg Bradley Studios.**

FCB is one of the most experienced schools architectural practices in the country.

Past work includes Chelsea Academy, Draper's Academy, William Perkin CofE High School, St Mary Magdalene Academy, Highfield Humanities College, Hastings Academy and the City Academy Bristol.

Several of these are RIBA award-winning buildings.
